WHY FUTURE UNICORNS LAUNCHPAD?

Get Set Learn, an Arvind Mafatlal Group Company, in collaboration with TiE Bangalore, co-created **Future Unicorns Launchpad 2023 (FUL)**, a groundbreaking entrepreneurship initiative for K12 that seeks to inspire high school students to embrace entrepreneurial thinking, drive innovation, and cultivate essential 21st-century skills including creativity, communication, collaboration, and critical thinking. This partnership has created a robust platform for over 15,000 students and 100 schools to explore their potential and lay a strong foundation in entrepreneurship.

About the Organizers

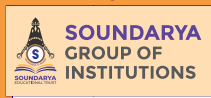

Backed by the iconic Arvind Mafatlal Group with over 100 years of legacy, Get Set Learn is transforming the global education landscape by curating the K-12 learning needs on a single platform.

A non-profit organization that promotes the growth of the startup ecosystem in Bengaluru, India. They offer programs and events, including mentorship and networking opportunities, to connect entrepreneurs and help them grow their businesses.
